Press Release

VSA Capital appoints Maciek Szymanski as head of its African operations

VSA Capital has appointed Maciek Szymanski to its Corporate Finance Advisory team in London with a focus on executing M&A and capital market transactions and coordinating VSA Capital's activities in Sub-Saharan Africa. Maciek joins from Mazars Corporate Finance in Johannesburg where he was responsible for M&A and capital raising. He has 20 years of transaction, research, investments and consulting experience across most economic sectors, with a track record of working with local and global clients. He previously worked at EY, African Alliance and KPMG among others, all in South Africa. Maciek is the member of Investment Analyst Society of South Africa and was a member of the Institute of Directors of South Africa.
