

Indaba and Oil Week 2021

A 'no party' invitation

Sadly as you all know the Mining Indaba has been cancelled this year although it means 2022 should be a very good event! But it does mean we won't be having a party to raise money for the Kusasa Project and in many ways this year they need it more than ever.

We are pleased to sponsor the
Kusasa project

To learn more about the kusasa project visit www.thekusaproject.org

The poster features a night view of a city with mountains in the background. Below the main title is a grid of logos for various sponsors. At the bottom, there is a statement of sponsorship for the Kusasa project and a website link.

The Kusasa project has been supported by VSA, also Our Dear Leader (Andrew Monk) since its inception nearly 15 years ago and its aim is to help break the cycle of poverty for young local children (www.thekusaproject.org).

This year we decided to create a Just Giving page for the “Virtual Mining Indaba Party” and the target is to donate at least £3,000 for the Kusasa Project. The Just Giving page is safe and a more efficient way of donating funds to the Charity – if individuals in the UK contribute and are taxpayers, for instance, the charity will get extra 25% (Gift Aid) – this can make a huge difference for the Kusasa Project.

I invite all of those who can contribute to visit the following page:

<https://www.justgiving.com/fundraising/indaba2021>

It is very easy, quick and safe to donate, you just need card details. (As TESCO would say “every little helps” and just £10 can help these wonderful children.)
